

Website Link Hacks March 12, 2015

These are my most significant original discoveries, they are both hacked on the links to my website. What more instead of opening with the complete address the documents are not download but attached to the temp save in the computer instead.

Exceptional Bear Market Letter™

New-Wave Elliott Part I revised Dec 4, 2014

These two articles will teach you more about the Wave principle, like never before. Part 2 will set the stage for the next wave. International's would appear Mr. Elliott's "public stance" of genius to interpreting the market. You will find the correct interpretation with...the impending correction in less than 2-3 weeks! If you have the ability to see the "out!". As a sneak peek, some opportunistic investors are looking for the link below
